

## Junior Notice November 2011

The pool booking has been confirmed for Sunday 6<sup>th</sup> November at 10 a.m. The address is Franklin Sport and Swim at 29 Franklin Road , Pukekohe. Please pay the entry fee at the reception as this is not included in the pool hire.

Although the children will only need to be there for as long as it takes to do the swim, it is important that as many children come as is possible. This means we can put them into the correct group. The children should bring goggles but they do not need fins.

Rookies have to be 12 or 13 to participate in the programme and I have to have a 200m time signed off for them. If any of the rookies can't make it please contact me as I might be able to arrange something else for them with another group on another day, but I need the time before the 7th. The swim has to be timed by one of us not just timed at a swim squad lesson.

It would be helpful if you could all email me to let me know if you are coming or not so I get an idea of the number of people coming. We will try to group the children together who are there so we have 3-5 children swimming in one lane. We cannot do it one at a time. We will try to get through it as quickly as possible and try not to hold you up. We do ask you for your patience though as we want to ensure the children are relaxed and comfortable so they do their best swimming. Remember if a child cannot complete the swim or complete it in the given time we will adjust the groupings so they can still join in.
