Dear SLS Member,

SLSNR IRB CARNIVAL RESULTS

On Saturday 13th November 2010 the SLSNR IRB carnival was held at North Piha beach in 2 metre swells.

13 crews represented 6 clubs from within Northern Region, including one womens crew from Sunset Beach. Crews contested the single rescue, mass rescue and assembly rescue over the course of the afternoon. Unfortunately time restraints prevented the team race and the last of the single & mass rescues races from being run.

Top performers in the 21 mens division were United North Piha Gold (Leif Neilson/Miles Regal) and Muriwai A (Tom Clark/Scott Buswell) who both finished on 28 points, followed closely by Sunset A (Shane Edwards/Sam Dwen) on 26 points.

In the open mens Mairangi Bay (Travis Mitchell/Cameron Pocock) claimed first place in all their races except the mass rescue, where the Muriwai crew (David Butt/Brent Matushka) came through to take first place.

Nikayla Poole & Sherrie Hobson from Sunset Beach were the only ladies racing, with Nikayla only recently getting her drivers award and already keen to race.

Points were awarded as follows:

- 1st place = 6 points
- 2nd place = 5 points
- 3rd place = 4 points
- 4th place = 3 points

Overall Points	
Club	
Sunset Beach	69
United North Piha	67
Muriwai	64
Mairangi Bay	29

Full results are shown overleaf.
