

Hi All

All groups will have training on [Sunday 6th February](#) and [Sunday 27th February](#). Hamish will possibly be training his group on one other Sunday but will canvas parents to see who is going to be around.

You might be able to see that the two groups at 1:30 and 2:30 have expanded. Parents - Please ensure you make yourself available to help in the water where needed as with these numbers safety is paramount.

It may be that we will split the 2:30 group even more so I will need all hands on deck. Please do talk to the children to prepare them for the idea that if the conditions are unsafe we might not be in the water for long.

Just thinking about last Sunday, the 15 minutes in the water was the maximum for those conditions. I know the children like to get in the water but if I deem it to be unsafe we will not get in.

This doesn't happen very often but it is a possibility.

PLEASE NOTE THE CHANGE OF TIME Rookies will be at 9 a.m. to 10:30 and then they can help set up patrol and do Rookie patrol hours.
